University of Toronto Coders

2021-2022 EVENTS WILL BE HOSTED ON DISCORD
JOIN OUR COMMUNITY (NO ACCOUNT NECESSARY)!

SETUP FOR DISCORD

Discord can be accessed through a web browser but we encourage using the app: https://discord.com/
Direct link to join the UofT Coders discord group: https://discord.gg/ud984rW9vK

NAVIGATING PLATFORM

We will be going over this at the start of the events, but here's a reference sheet to get you settled in!

Content for weekly events are located under the "UOFTCODERS EVENTS" section along the left:

Ask questions here

Where the lessons will be held
- Double click to join the room. Your audio will automatically connect.
- Your name and icon will appear once you've joined
- The green ring highlights the speaker

Where you will be directed to for 1:1 support or group activities

You can also adjust the volume you hear from each participant by right clicking their name - handy if you're having trouble hearing the instructor!

User Volume

User options will pop up in the bottom left corner when you connect to a voice channel:

Share your video (camera) or screen (for troubleshooting)

When video or a screen is being shared, you can "pop out" the window using this button at the bottom right corner:
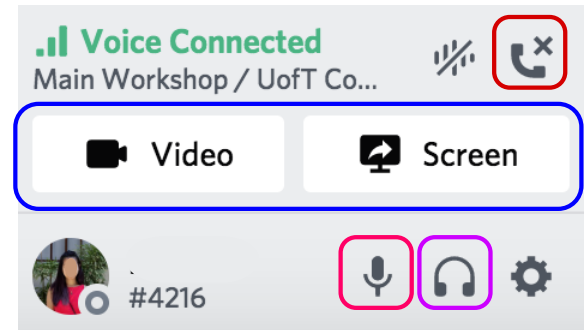

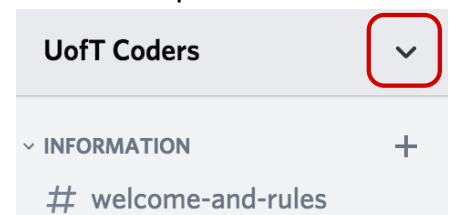

JOIN FOR A LESSON, STAY FOR THE COMMUNITY!

Stick around and join our community!

We've got channels for different topics, we're orgianizing a mentorship program, and we regularly host co-working sessions throughout the term.
